#### § 32.1130 How does disqualification under the CAA or CWA differ from a Federal discretionary suspension or debarment action?

(a) CAA and CWA disqualifications are exclusions mandated by statute. In contrast, suspensions and debarments imposed under subparts A through I of this part or under 48 CFR part 9, subpart 9.4, are exclusions imposed at the discretion of Federal suspending or debarring officials. This means that if you are convicted of violating the CAA or CWA provisions described under §32.1105, ordinarily your name and that of the violating facility is placed into the EPLS before you receive a confirmation notice of the listing, or have an opportunity to discuss the disqualification with, or seek reinstatement from, the EPA.

(b) CAA or CWA disqualification applies to both the person convicted of the offense, and to the violating facility during performance of an award or covered transaction under the Federal procurement and nonprocurement suspension and debarment system. It is the EPA's policy to carry out CAA and CWA disqualifications in a manner which integrates the disqualifications into the Governmentwide suspension and debarment system. Whenever the EPA determines that the risk presented to Federal procurement or nonprocurement activities on the basis of the misconduct which gives rise to a person's CAA or CWA conviction exceeds the coverage afforded by mandatory disqualification, the EPA may use its discretionary authority to suspend or debar a person under subparts A through I of this part, or under 48 CFR part 9, subpart 9.4.

#### § 32.1135 Does CAA or CWA disqualification mean that I must remain ineligible?

You must remain ineligible until the EPA debarring official certifies that the condition giving rise to your conviction has been corrected. If you desire to have your disqualification terminated, you must submit a written request for reinstatement to the EPA debarring official and support your request with persuasive documentation. For information about the process for reinstatement see §32.1205 and §32.1300.

# § 32.1140 Can an exception be made to allow me to receive an award even though I may be disqualified?

(a) After consulting with the EPA debarring official, the head of any Federal department or agency (or designee) may exempt any particular award or a class of awards with that department or agency from the prohibitions otherwise resulting from CAA or CWA disqualification. In the event an exemption is granted, the exemption must:

(1) Be in writing; and

- (2) State why the exemption is in the paramount interests of the United States.
- (b) In the event an exemption is granted, the exempting department or agency must send a copy of the exemption decision to the EPA debarring official for inclusion in the official record.

## § 32.1200 How will I know if I am disqualified under the CAA or CWA?

There may be several ways that you learn about your disqualification. You are legally on notice by the statutes that a criminal conviction under the CAA or CWA automatically disqualifies you. As a practical matter, you may learn about your disqualification from your defense counsel, a Federal contract or award official, or from someone else who sees your name in the EPLS. As a courtesy, the EPA will attempt to notify you and the owner, lessor or supervisor of the violating facility that your names have been entered into the EPLS. The EPA will inform you of the procedures for seeking reinstatement and give you the name of a person you can contact to discuss your reinstatement request.
